

MEDIA POLICY OF THE CONFERENCE

During the conference, photos, film or voice recordings might be taken. With your registration, you confirm that Lifebrain can use these for the following activities and purpose.

The activities: Posting online, storing, saving, uploading, copying, sharing on the Lifebrain website and on social media.

The purpose: Use for printed and online information for Lifebrain including publications, reports, websites, and social media. You confirm that the University of Oslo, Department of Psychology, Center for Lifespan Changes in Brain and Cognition as coordinator of Lifebrain can:

- store copies of any photograph/recording for as long as necessary to fulfil the Purpose;
- store the photograph and your contact details in the University of Oslo's photographic libraries and databases; and
- store your contact details on its databases for the purpose of contacting you if necessary.

You have the right to:

- request access to your data (commonly known as a "subject access request"). This enables you to receive a copy of your data and to check that we are lawfully processing it.
- request correction of your data. This enables you to ask us to correct any incomplete or inaccurate information we hold about you.
- request erasure of your data. This enables you to ask us to delete or remove your data where there is no good reason for us continuing to process it. You also have the right to ask us to delete or remove your data where you have exercised your right to object to processing (see below).
- object to the processing of your data, where we are processing it to meet our public tasks or legitimate interests (or the legitimate interests of a third party), and there is something about your particular situation, which makes you want to object to processing on this ground. You also have the right to object where we are processing your data for direct marketing purposes.
- request that the processing of your data is restricted. This enables you to ask us to suspend the processing of your data, for example, if you want us to establish its accuracy or the reason for processing it.
- request the transfer of your data to another party.

To find out more about your rights or if you wish to raise any queries or concerns about our use of your data, please contact us at info@lifebrain.uio.no. Should you not wish to appear in any photos, film or voice recordings please contact info@lifebrain.uio.no.
