

Personskadeforbundet LTN

PERSONSKADEFORBUNDET LTN

- Or the association for the traumatically injured

About us

- Founded in 1984 by people who had their lives changed by traffic accidents
- For everyone whose lives have been changed by illness or injury
- From 1984 until today we have helped about 40 000
- Ca 3 500 members
- 32 local chapters
- Our own magazine 10 times a year

Our focus is:

- Healthcare rights
- Norwegian Labour and Welfare Administration (NAV)
- Compensation claims
- Peer support

Traumatic brain injuries

- Cognitive issues
- Memories, concentration, fatigue
- Lack of knowledge

The biggest challenges

- Lack of recourses for rehabilitation
- Lack of knowledge, lack of diagnosis, lack of treatment
